This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

CONTENTS.

TABLES APPENDED TO THE REPORT.

State Institutions.

PAGE.

Table 1A—List of the several State institutions, their location, date of establishment, date of opening, name and date of appointment of the superintendents and names of the officers of the boards of trustees or managers 3

Table 1B—List of the several institutions under private management, mainly supported by the State, their location, date of incorporation, date of opening, name and date of appointment of the superintendents or principals, and the names of the officers of the boards of trustees or managers 5

Table 2—Showing the capacity and cost of the buildings of the several State institutions 6

Table 3—Showing the total and classified valuation of the State institutions at the close of the fiscal year, September 30, 1902..... 7

Table 4—Showing the receipts of the State institutions for the year ending September 30, 1902..... 9

Table 5—Showing the expenditures of the State institutions for the year ending September 30, 1902, the average number of inmates and the weekly cost of support..... 11

Table 6—Outstanding indebtedness of the State institutions at the close of the fiscal year, September 30, 1902..... 15

Table 7—Assets of the State institutions at the close of the fiscal year, September 30, 1902 16

Table 8—Showing the movement of the population in the State institutions for the year ending September 30, 1902..... 17

A—Number of inmates in State institutions October 1, 1901..... 17

B—Number received in State institutions during the year ending September 30, 1902 21

C—Number discharged from State institutions during the year ending September 30, 1902..... 27

D—Number remaining in State institutions October 1, 1902..... 35

Classified by Counties.

E—Number of inmates in State institutions October 1, 1901..... 41

F—Number received in State institutions during the year ending September 30, 1902 48

G—Number discharged from State institutions during the year ending September 30, 1902..... 54

H—Number remaining in State institutions October 1, 1902..... 64

County Almshouses.

Table 9—Showing the total and the average number of persons supported, the number of city or town poor and of county poor differentiated with reference to sex and nativity, and the changes in the population of the county almshouses during the year ending September 30, 1902..... 70

Table 10A—Showing the number of able-bodied persons in county almshouses October 1, 1902..... 74

Table 10B—Showing the number of sick or infirm persons in county almshouses October 1, 1902..... 75
